#### DEAR FRIENDS,

It's exciting and almost overwhelming to look back on 2017! It was certainly a year to remember, most strongly characterized by a spiritual preparation for transition.

Until recently, we've been a small, unnoticed organization in El Salvador. We've been doing something that no one else cared about or wanted to do. All of our team members have joined because of passion, and we have been going strong and hard for many years, fervently and devotedly working. A few years ago, never would we have thought about a five-year plan; never would we have thought about HR procedures, payscales and other such institutional manners.

But now we've found ourselves in a different position. We are a medium-sized organization, and we are being noticed in the country. We're doing something that no one else is doing and people are really starting to raise their eyebrows about. We have more beneficiaries and more team members. We need more clarity in policies and procedures.

Thankfully, and as always, the Lord places the right people in the perfect place and time in order to show us just what we need. And He never fails to provide the means to get there. The lessons learned and processes Project RED walked through in 2017 have set the stage for growth for a more stable and sustainable future.

We are so very thankful.

And as always, I am so very grateful for each and every one of you. Thank you for believing in this mission. Thank you for believing in our team. Thank you for loving our families down in El Salvador and for helping us to save and restore lives, one by one.

With love & hope,

Kara

Kara Wilson Founder & Director

#### MISSION

PROJECT RED is a community, working in partnership with the Salvadoran government to bring lasting change to families in need in El Salvador through actions of REINTEGRATION, EDUCATION & DEVELOPMENT.

#### VISION

PROJECT RED seeks to pioneer a movement of social programs in El Salvador for families in need, serving as the essential bridge between public policies and the reality of the actual need.

### Our statement of faith

We believe in one God and Father, Maker of heaven and earth. We believe in Christ, His resurrected Son, our Lord and Savior. We believe in the Holy Spirit, the manifestation of the living God in us. We believe that Christ was crucified and buried, and that on the third day He rose. We believe in the forgiveness of sins, and in this free gift of salvation He offers us.

We believe that Jesus instructs us to care for the orphans and the widows, for the poor and oppressed. It is from these instructions that we joyfully carry out His kingdom work in El Salvador, seeking no glory for ourselves, but only for His mighty name.

We believe that we believers are the body of the church, and that we must go to the ends of the earth to share the sweet message of Christ in word and deed.

THE HEART OF **RED**IS THE **TRANSFORMATION** THAT OCCURS
THROUGH AUTHENTIC **RELATIONSHIPS**WITH OTHERS AND WITH CHRIST.

# WE EXIST TO BRING HOPE TO THE LEAST OF THESE BY PROTECTING CHILDREN'S BASIC HUMAN RIGHTS WHILE EDUCATING AND EMPOWERING

Project RED works with the families of children who have been living in orphanages and have been placed in the homes of members of their biological families as a result of the LEPINA Law in El Salvador.

FAMILIES IN EL SALVADOR.

### Reintegration

We provide for the basic physical and material needs of the children and families we serve. Simultaneously, we facilitate positive emotional environments in the homes, setting the stage for individual transformation and lasting change.

Education

Because access to education in El Salvador is limited, we are able to provide life changing learning opportunities for children, teens and adults and entire family groups.

Development

Due to complexity and diversity of the problems faced by the families at RED, we create and execute individualized intervention plans in order to better the physical, economic, spiritual and emotional conditions of each family.

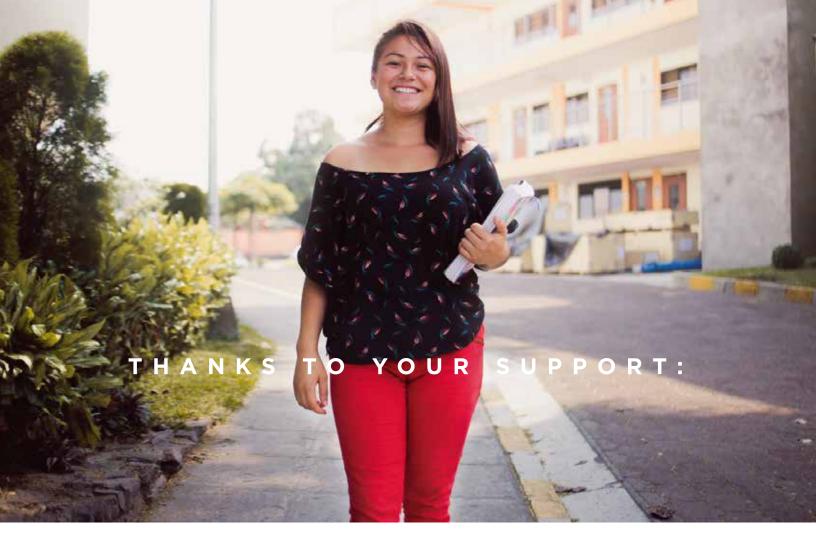

More families like the Ramirez family were able to receive new homes and home improvements in 2017. Geovany is a single mother of two, Eliseo and Tatiana. Until recently, they were living as squatters in a makeshift shack.

RED helped to provide them with a home of their own, and has taught them about how the only real hope we have is in Jesus Christ.

Most of the children we serve, like Josué, have suffered trauma.

These children need psychological and clinical support, resources that are normally inaccesible for in countries like El Salvador. Our psychologists work closely with these cases to help both the children and their family members overcome these difficult situations.

Many kids like Jessica were able to go to school because of their scholarships. **Jessica finished high school and graduated with honors!** 

Jessica's mother died of AIDS several years ago. Had it not been for the scholarship that Project RED provided, she would not have been able to go to high school.

In January 2018, Jessica began her first semester of college. **RED has inspired her to become a Social Worker!** 

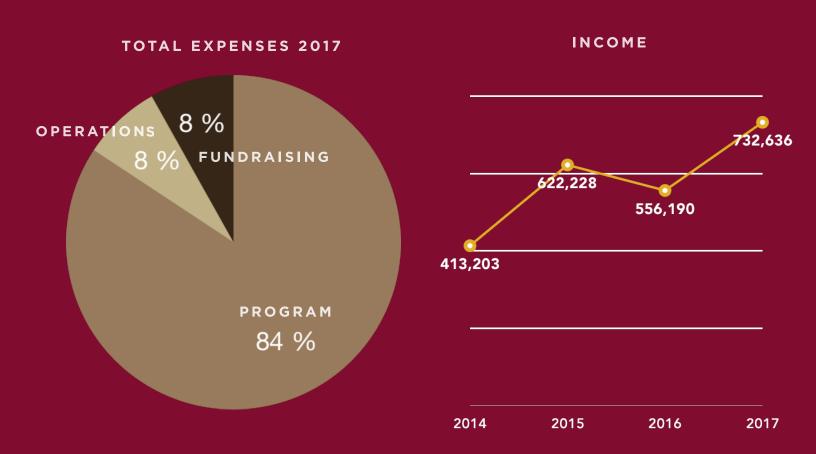

**TOTAL 2017 BUDGET:** 

\$625,000

**TOTAL 2017 EXPENSES:** 

\$623,452

Thanks to your support

in 2017 we were able to touch the lives of 435 people from 93 families.
